"A generation of heritage guardians and global thinkers"

Dear IPS-J Parents, Students, and Staff,

We are quickly nearing our first day of school and many students will return to campus. Therefore, I wish to reach out to you to confirm some important requirements that we need from you as well as some of the challenges that we might be facing.

Our top priority is to keep all of us as safe at all time, which requires consistent communication to ensure we all understand what is expected of us based on the given situation.

1. Health & Safety

- a. If a student or staff member feels unwell such as flu like symptoms, we ask not to come to school and follow quarantine and testing recommendation from DHA.
- b. Anyone who has been in contact with someone that has tested positive for COVID-19 must complete a 14 days quarantine.
- c. Students and staff will be able to continue to learn and teach remotely. The main focus is to keep everyone safe.
- d. **Parking:** Please know we have to follow KHDA guidelines, which state that parents are not allowed inside the school/classrooms. Therefore, only staff members are allowed to park inside the school parking lot (as we did last year) and all the parking spots around the school will be kept free for parents. Gate 3 will be closed by 7:30 a.m. for staff members.

2. Mandatory KHDA Declaration of Readiness to Return to School

- a. Please know that I sent this email with the form last Thursday. Thank you so much if you filled out the form. If you did not, please do so as soon as possible. According to KHDA, your child/ren will not be allowed to come on campus unless this form is completed. Below please find the links in Arabic and English:

Arabic:

إقرار بجاهزية العودة إلى المدرسة

Prior to school start, please watch out for more emails and SMS from the IT Department regarding Schoology Training for Students, School Supplies, and Class/Cohort assignments. Thank you for your patience and flexibility as we work diligently to give you the necessary information and getting everything in place for a successful and a smooth as possible first day of school.

We kindly ask for your continued support. Please know that we have been trying our very best to ensure students' and parents' requests have been taken into consideration when it comes to class allocations. However, there are so many variables that we needed to consider and as a result, we could not meet everyone's requests. Thank you for your understanding and support.

Warmest regards,
Connie
