

Parent Council Nominations

2022

Dear Parents

KHDA requires of all schools in Dubai to have a Parent Governing Body in place and we are taking on additional areas of responsibility and review as outlined in their edict. Our first Parent Council was elected in November 2019. Due to the Covid Pandemic we didn't have our annual elections in the year 2020.

Our current and first IPS-J Parent Council has worked tremendously with the school on several occasions and projects. They have very well-established strong roots for the future IPS-J Parent Council.

Parent Council

The Parent Council (PC) is an elected group consisting of 12 parents who represent children from across the school's age range (K-12). We have a formal agreed constitution with clear Terms of Reference, so we can review and recommend cycles of policies we have chosen as appropriate for parental involvement, with additional input to the Senior Leadership Team and Parent Relation Executive (PRE) as applicable and necessary. The Council meets monthly, with an elected Chair and Vice Chair.

Are you interested in becoming a Parent Council member?

The role of the Parent Council is to be the parents' voice at IPS-J within policy and procedures making and review, and the sounding board for IPS-J management on new initiatives and strategy.

Do you have an interest in being involved in the continued growth and success of IPS-J?

If your answer is yes, please consider your commitment. The Council meets monthly, usually the second Sunday or Tuesday morning of each month for up to two hours. The review of policies, accreditation documents, inspection documents and subsequent discussion and making recommendations takes time and might require additional meetings. And of course, there are regular emails, WhatsApp messages on discussions and issues arising, which need to be responded to.

And now, do you have time to commit and help us to push things forward on our journey to become a "Very Good" school?

If yes, please submit a brief biography (maximum 300 words) including details of your child's/children's grade level, explaining how you would add value to the Parent Council. Click on the [Parent Council Registration link](#). If you have any questions, please email the Director of Quality Assurance and Parent Relations, Ms. Juliana juliana@ipsjumeira.com

The deadline for submissions is Thursday 17/2/2022

If an election is required (when more applications are received than we have open places), the biographies will be shared with all parents by 19/2/2022 for an election to take place closing on Wednesday 23/2/2022

We, IPS-J administration, are looking forward to a collaborative, productive, and successful year. Together we can achieve outstanding things for our children.

With warmest regards,

JPS-J
